Home of the Chieftains

August 26, 2019

Dear Parent/Guardian,

I would like to invite you and your student to the high school for our open house on Monday, August 12. Feel free to stop by and meet the teachers and staff anytime between 3:30-6:30 pm.

All 7th Graders – There will be an orientation meeting that will begin at 5:30 pm. During this meeting students will review their schedules and I will answer any questions you may have. I will also discuss high school expectations and provide a tour of the building. During this time, you may turn in your student's physical card and parent permission form to participate in school activities, etc.; We will have extra forms on hand if you need them.

Additional information - As you and your student plan ahead for the first day of school, August 13, 2019, we will dismiss early at 2:00 p.m.

State statute requires all seventh graders (and new students entering from out of state) to have a physical prior to the start of the school year. This physical will also be used if they plan to participate in athletics during the school year (be sure to fill out the entire form, front and back). If you did not receive a physical form for your doctor to fill out and sign, you may pick one up from the principal's office. Please return these forms to the principal's office when completed or you may bring it with you at the Seventh Grade Orientation meeting on August 12th.

The State Law requires all students to be current on their immunizations. All students entering public school are required to have 2 doses of Varicella (chicken pox) vaccine or **documentation of the disease on file with the school, including the year**. The state requires one additional dose of Tdap and the Whooping Cough immunizations. Please be sure to notify the school of any updated immunizations so that we may update our records.

State law requires all students to have a copy of their birth certificate on file in the district office. If you are new to the district or are not sure if the school has a copy, please feel free to contact the principal's office at 402-625-2241 or you can email Mrs. Wortman at jwortman@yutanhs.com.

Enclosed you will find a copy of a physical form, student emergency form and a NSAA Student Activities permission form (this form will need to be on file before your child can participate in athletic activities). You may return these forms to our office in the enclosed envelope.

Go Chieftains,

Brian Daniell, Principal
Yutan Jr.-Sr. High School
